2. The objective and functions of the group will be :—
1. To disseminate information of Oil Conservation among all Sub-sectors of the Agriculture Sector.
  2. To provide a forum for collaborative efforts for the training of Agriculturists/farmers and employees on Agricultural specific oil conservation programmes.
  3. To disseminate and propagate the energy efficient appliances/projects implemented in other parts of country.
  4. Collaborate on replicating various success stories through a process of education awareness and demonstration.
  5. To evolve strategy for creating mass/awareness and sessions on conservation of fuel through the demonstration centres established in various states by PCRA.
  6. To create awareness through performance of rectified lift irrigation pumps (diesel driven engines) on saving of diesel.
  7. To make available information on the various incentives given by the Govt., PCRA, IDBI and other similar organisations.
  8. To encourage the use of efficient ISI marked pumps, engines, foot valves and other farming appliances.
  9. To engage and motivate farmers for replacing inefficient foot valves with ISI marked efficient foot valves by evolving PCRA subsidy scheme.
  10. To create awareness for use of efficient equipments/devices and appliances in rural areas by arranging exhibitions and displaying energy efficient appliances like Nutan Kerosene Lamp, LPG Hurricane Lantern and lamps.
  11. To suggest a policy on incentives with regard to promoting oil conservation amongst farmers.
  12. To facilitate interaction between agriculturist on the one hand and State Government on the other for issues relating to oil conservation in agriculture sector.
  13. To facilitate creation of data bank on agricultural appliances of different manufacturer with reference to various aspects of oil conservation.

14. To suggest ways and means for creating/reviewing action plans for energy conservation projects.
15. To provide consultancy, guidance and support to the agriculturists/farmers on the upgradation of technology/equipment.
16. To promote R&D efforts in the field of oil conservation.
17. To identify areas of inter fuel substitution and utilisation of non conventional energy sources.

3. The tenure of this Action Group shall be for a period of two years. The headquarter of Action Group will be at Chandigarh. The meeting of the action group will be convened by the Convenor of Indian Oil Corporation as and when considered necessary. The members of the Action Group will draw TA&DA from their respective department/office.

NASEEM AHMAD,

Financial Commissioner & Secretary to Government  
Haryana, Agriculture Department, Chandigarh.
